

About the Centre

The Downtown Eastside Women's Centre (DEWC) offers a Drop-In Centre and Emergency Night Shelter for women and children living in extreme poverty in Vancouver's downtown eastside. High levels of violence, homelessness, addictions and poverty characterize this community where women and children are particularly vulnerable to exploitation, injustice and injury.

DEWC provides practical support to over 500 women and children daily to survive the conditions that surround them offering security and refuge as well as basic needs and support services, enabling women to make long-term changes in their lives.

With every **sponsorship of just \$5, you are supporting a woman** to access a hot nutritious meal; safe and clean shower; a place of safety from the street; and in obtaining support to find housing, getting a treatment bed, or victim services.
