# FALSE CREEK SOUTH NEIGHBOURHOOD ASSOCIATION Delegates meeting

### Minutes of Meeting, Wednesday April 3, 2019

### 1. Approval of Agenda

Motion That the agenda be approved. M/S APPROVED

- 2. Delegate introduction
- 3. Approval of Minutes

Motion That the minutes March 06, 2019 be approved. M/S APPROVED

- 4. Business Arising From the Minutes
  - Summer BBQ (Grill 'n' Chill)
    It will be held on August 17, 2019 in Charleson Park. Pascale Rozada (Connaught co-op) has offered to organize it. Marta informed her that money had been set aside this year to hire a Coordinator to help with the planning. Pascale can access these funds if needed.
  - Spyglass road closures: A concern had been raised in February regarding possible long-term road closures in this area and the installation of a new bike lane.

The FCSNA will write a letter to the Engineering department asking that as a general rule that the Association be consulted prior to the implementation of decisions in matters like these.

- 5. Correspondence Secretary *Marie-Claude Collins*None to report.
- 6. Finance Treasurer Marta Goodwin

See attachment #1

Marta presented her quarterly report:

- Most enclaves have now paid their annual dues. Reminders will be sent to those that are in arrears. She noted that most of our expenses tend to occur later in the year.
- o Pascale offered to act as a liaison with the Community Centre and will identify if there are programs that require the support of the FCSNA.
- There was a discussion about the cost of our current web site hosted by GoDaddy. We will review this when the new administrative assistant who will replace Wendee is hired.

 Money will be set aside to buy rechargeable batteries and a charger for our sound system.

### 7. Reports

- a) RePlan Sharon
- A committee (Richard Evans, Nancy Hannum, Richard Marchant, Sharon Yandle and Nathan Edelson), has held individual meetings with NPA councillors Lisa Dominato and Colleen Hardwick (NPA).
- They have upcoming meetings with the three Green councillors (Michael Wiebe, Pete Fry and Adrianne Carr), Jean Swanson (COPE), two other NPA councillors (Rebecca Bligh and Sarah Kirby-Yung), and Christine Boyle (One City.) Topics of discussion included lease negotiations and community planning.
- $\circ$   $\;$  RePlan continues to be intensely interested in community planning and development.

Delegates discussed suggestions of possible speakers that we might want to consider for our Speakers series. It would also be interesting to hear from the enclaves interested in trying to acquire senior-appropriate housing and about other topics that might have a wide appeal.

### b) CEWG Evan

The first newsletter was well received. Evan handed out copies and reiterated that the April edition will have a puzzle and some interesting stories.

- c) School liaison Yael
- Grade 6 and 7 camp: Students will go to camp in June and are fundraising. A plant sale is taking place and plants can be ordered online.
- Earth month: the school will be focusing on litter-less lunches.

#### 8. New Business

- Re-plan Speaker Series Can False Creek South Remain a Model
   Community in a Changing World? David Ley guest speaker at the Sitka
   Square Meeting Room -April 4<sup>th</sup> 7:00-9:00pm
- A representative from the City of Vancouver's Granville Bridge Connector team would like to arrange a presentation at our May meeting

Phase 1 of the consultation for the Granville Bridge Connector will focus on:

- a. Reviewing project goals
- b. Discussing connections and destinations
- c. Hearing initial concerns
- d. Discussing visions for the future connector

Delegates agreed that the team should be invited.

### 9. Good and Welfare

There has been a rash of break-ins in the neighbourhood (Henly Court, Spruce Village, Connaught co-op). Enclaves with similar problems added lighting, keep bushes low, installed cameras. This seems to help.

# 10. Adjournment

The meeting was adjourned at 8:50 p.m.

Next regular meeting: Wednesday May 01, 2019
